TO THE ELECTORS OF BYTOWN.

Mr. Stewart's claim to charge me with making certain extracts from his Protest, is an admission on his part that, in my address to you of the 12th instant, and in the "Bytown Herald" of the 13th, I did not say what he says. In reply, I have told him that "I shall leave the public to judge to which party the charges truly apply."

Concerning upon the contents of these Protest, I have no opinion to express; you are as good judges of their truth or falsehood as I am. But Mr. Stewart's remarks, that "I have not presented the complaints to the appropriate tribunal, he shall hear from me again."

I am, Gentlemen,

1. WILLIAM STEWART, Candidate at the Election for Bytown, do most solemnly Protest against the conduct of Stewart Derbishire, Esq., upon the following grounds:

- 1st. Because under Executive influence he was recommended and introduced to the inhabitants and Electors of Bytown, and his Cause carried on using the Governor General's name.
- 2dly. Because he refused to state where the money was expended on which he declared his qualification.
- 3rd. Because the Returning Officer did not keep order, my voters being threatened and prevented from coming to the Poll.
- 4th. Because the Returning Officer recorded votes contrary to the letter and spirit of the Law, and against my will, administered an oath to a person in an intoxicated state.
- 5th. That my Counsel and people were insulted and assaulted by the partisans of Stewart Derbishire, Esq., and not protected by the Returning Officer.
- 6th. That the Returning Officer refused to record my objections and remarks with respect to voters.

(Signed) WILLIAM STEWART.
5th March, 1841.

(Copy No. 2)

I, WILLIAM STEWART, one of the Candidates in the Election of the Town of Bytown, do hereby most solemnly enter this my second Protest against the return of STEWART DERBISHIRE, Esq., as Representative for Bytown, on the following grounds, to wit:

Because the Returning Officer, immediately after my first Protest was put into his hands read it to the public, and in my opinion, in order to

excite feelings against me, and create party feelings in my favour.

Because the Returning Officer, after having been so long in order to draw a large meeting of voters at the residence of Stewart Derbishire, Esq., did not do so, and that he was not present at the residence of Stewart Derbishire, Esq., at the time of the election.

Because he did not administer the oath secondly, and in several instances gave the wrong oath to the voters, and that he was not present at the residence of Stewart Derbishire, Esq., at the time of the election.

Because that Com. Ball's son the Poll Clerk, carried Derbishire's name on the first morning of the election, and at the same time.

Because Stewart Derbishire, Esq., the Candidate was put in nomination by the Clerk, who was not the Clerk, and was not the Clerk at the time.

Because the Returning Officer could not do so, feelings from his former canvass in favour of Stewart Derbishire, Esq., and that the poll clerk being one of them, wearing the badge and carrying the flag of my opponent, and that the Returning Officer, the Poll Clerk, and the Returning Officer, took his seat in one of my opponent's sleighs, and brandished a sword (or a stick) in his hand.

Because the Returning Officer, on Monday the 5th March, (the first day of Election) about the hour of five o'clock, P. M., when repeatedly called upon by me and my two supporters then waiting me at the Poll, to adjourn till next day at 10 A. M., the Returning Officer several times refused to do so, although I had every indication of a riot and myself and others threatened, insulted and assaulted; he however kept the poll open till near dark, being closed about half past six o'clock.

Because the Returning Officer did not let there was an excited feeling raised against me by some of my malicious opponents, and that upon no occasion during the election he presented himself.

Because in the language of Michael Barry, the Pollman of the room was pulled out of the Poll Room, and the Returning Officer under my objection, recorded his vote.

Because that my Counsel Geo. B. L. Esq., distinctly objected to the conduct of the Returning Officer in favour of Stewart Derbishire, Esq., who from their answers to his questions, he contended were guilty of bribery.

Because that when William Brown Esq., went to tender his vote, the Returning Officer objected to the tenure and principle on which his claim was founded, and said "that he had seen the Attorney General's name, and that he had recorded his vote yesterday, and that he would do so to-day," although he voted the first day, that he would wait through the Attorney General's election, and that he would assume the responsibility of the Election.

(Signed) WILLIAM STEWART.
